### WHY MINIATI

Our founders' business model was simple: offer quality products and back them up with unparalleled service. Now, more than a century later, our team of culinary experts, food scientists, food safety, operations, supply chain, administration, sales, and customer service professionals embrace our founders' ideals of Driven to Serve™ as the very core of who we are today. Miniati's custom-crafted protein solutions and private label products help retail and restaurant brands, CPG companies, and food service providers, stay relevant and competitive. With high-volume production facilities in the Midwest and Southeast, Miniati can deliver product across the country within two days of shipment.

**Contact your Miniati Sales Representative to discuss Miniati's fully cooked, Private-label Protein Solutions.**
